

### **WFP Income Fund Announces an 8.11% Net Annualized Year-to-Date Return for 2014**

Los Angeles, California – October 1, 2014 – Wilshire Finance Partners, manager of the WFP Income Fund today announced year-to-date fund results. Through the third quarter ended September 30, 2014 the WFP Income Fund paid investors an 8.11% net annualized non-compounded return through a loan portfolio consisting of first trust deeds and mortgages.

At quarter end, the portfolio had a weighted average loan to value of 60.23%, a weighted average maturity of approximately 22 months, and 0% non-performing assets. Approximately 62% of the loans in the portfolio were secured by non-owner occupied single family homes, with the balance of the portfolio consisting of loans secured by apartment, office and other income property. All of the loans were secured by property inside the State of California.

As previously announced, the WFP Income Fund has been approved for both retirement and non-retirement accounts on the Fidelity platform for Alternative Investments (National Financial Services or NFS). The fund is open to investors, wealth managers and individual investment advisors under the Fidelity platform using standard subscription and transfer procedures. The CUSIP Number for the WFP Income Fund is 94699K534.

“We continue to be pleased with the results the WFP Income Fund has produced for our investors over the last several quarters,” said Don Pelgrim, CEO of Wilshire Finance Partners. “At a time when many investors continue to seek higher returns in short term fixed income investments, we believe the WFP Income Fund provides an excellent alternative for those investors to consider,” he added.
